

# SURVIVE SAFETY RULES

Take reasonable care of my own safety, the safety of my colleagues and the motoring public.

Work within current legislation and maintain an up to date knowledge of relevant rules and laws.

Only act within my levels of authority / expertise and never exceed them.

Think before I act and, if I am unsure, seek guidance.

Challenge safety related non-compliance by others and report if necessary.

# SURVIVE SAFETY RULES

Use warning beacons to their best effect, responsibly and only when necessary.

Resolve incidents in the best way possible, using the safest options available.

Always use the correct PPE for the task in hand.

Use all equipment in accordance with instructions provided and training given.

Accept that I am responsible and accountable for my actions.
